CLASS HISTORY

ONCE upon a time, way back in 1943, about seventy proud students entered Sharon from Sharon Grammar School, Woodlawn, and various other schools, although each of us was prepared to begin high school, we soon discovered that we were not in high school at all. The twelfth grade had been added to all county high schools, making us between high school and grammar school.

The year passed quickly, and soon we were freshmen! Although we were still divided into two classes, we were united as one group. We elected as our leaders, Pat Palmer, Burnett Lockwood, Jeanette Black, and Betty Frances Lowder, with Miss Gaddy and Mrs. Paschal as home room advisers. We enjoyed our first big class parties this year.

The next year we were known as the "Sophs". This year we were together, with Mrs. Neely as our home room advisor. We elected Burnett Lockwood, Bill McCoy, Hazel Martin, and Jack Stanford, as class officers. With Mrs. Neely's help we sponsored a minstrel to raise money for a formal party to honor the Juniors, the highest class in school this year.

Our junior year began with lots of hard work ahead. Miss Overcash was our new home room teacher. For our class officers we chose Burnett Lockwood, President; Jack Stanford, Vice-President; Jeanette Black, Secretary; Betty Frances Lowder, Treasurer. Our biggest task this year was to raise money for the customary Junior-Senior Banquet. To make money we sold Lance products during the school day, magazine subscriptions, sponsored the Sauline Players and gave another minstrel. We gave a very successful banquet at the Ship Ahoy Restaurant. Also, the marshals were chosen from our class this year. They were: Betty Shepherd (chief), Peggy Boyd, Jeanette Black, Hazel Martin, Betty Lowder, Burnett Lockwood, and Jack Stanford.

* * * * *

Seniors at last! We are really proud of that name. We began the year preparing for graduation, with the help of our sponsor, Miss Marzelle Brisson. Although our class has greatly decreased, this year, we have gotten off to a good start. For our class officers, we chose Burnett Lockwood, President; Jack Stanford, Vice-President; Betty Shepherd, Secretary; Peggy Boyd, Treasurer. Our main task this year is publishing the FLOODLIGHT. We have sold Christmas cards and sponsored square dances in the gymnasium. Now we are looking forward to other activities, and then graduation, which will end our wonderful and unforgetable high school days at Sharon.

Betty Frances Lowder, *Historian*

LAST WILL AND TESTAMENT

We the Senior Class of Sharon High School residing in the City of Sharon, County of Mecklenburg, State of North Carolina, do ordain and establish this to be our last will and testament.

ARTICLE I

To the faculty, we leave our love and appreciation for all the things they have done to help make our senior year a success.

ARTICLE II

To the Juniors we leave the Senior class room, the same desk, the same books which we studied. We also leave the school and hope that they will think as much of it as we do.

ARTICLE III

(Personal Bequests)

I, Betty Bailes, leave my "I drive the car" excuse to leave school to Tommy Phillips.

I, Johnny Mac Phillips, leave my curly hair to Peggy Norman in hopes it will save some of her permanent bills.

I, Cotton McGarity, leave my "height" to David Short.

I, Hazel Martin, will my athletic ability to Jeanne Brice.

I, Betty Shepherd, leave my excess A's to some "brain child" of the Junior class.

I, Nellie Black, leave my sweet disposition to Jean Meek, who needs it badly.

I, Jimmy Griffin, leave my bus driving record to John Boeckman.

I, Burnett Lockwood, leave my basketball ability to Russell Shrum.

I, Jack Stanford, leave my "specks" to some blind Junior.

I, Peggy Boyd, leave my diamond to Marilyn Meachman.

I, Betty Lowder, leave my streamline figure to Mary Jackson.

Jack Stanford, *Class Lawyer*

CLASS PROPHECY

May 30, 1958

Dear Betty Frances:

I received your letter yesterday and I was very pleased to hear that you and Charlie had another child. I seemed to have lost count, which is it, the fourth or the fifth?

I have been visiting around quite a bit and hearing bits here and there about some of our old classmates.

Guess what? Cotton McGarity has finally found a radio station to give him a job as a comedian. He has five minutes on KNK---Concord. They say that the only reason he got the job is because Jimmy Griffin is Station Manager. I don't see how Jimmy could afford to pay him much because I heard that the station was almost bankrupt. He is making his wife the former Miss Gene Rhyne work in the office for nothing.

Last November Maurice and I went to Duke University to see the Duke-Carolina football game. Duke's new halfback, Herbert Phillips really made a name for himself that day. You know he married Betty Shepherd. Since he is busy at college, Betty is making their living jerking sodas in a corner drug store.

After the game while we were struggling through the crowd, I noticed a meek little character that looked very familiar to me. We caught up with him and guess who it was? Jack Stanford. Not much to my surprise, I learned that he was now a Professor of History at Duke. He said that he was publishing a history book.

Someone said the other day that Johnny Mac Phillips has his own band and is now playing for the square dances at Pineville. It seems that one night his caller didn't show up, and since Hazel Martin hasn't missed a square dance at Pineville in over nine years, she got her life-long ambition to call a square dance. She was so good that they gave her a permanent job.

By the way, what beauty salon do you visit. "Nellie's Beauty Salon" is now open in the four hundred block of North Tryon Street. She really has a nice place. A few weeks ago I went to have my hair fixed, but I practically spent the day there waiting on Nellie to fix Betty Bailes' hair to suit her. You know she is very particular now, since she is modeling dresses for Montaldo's dress shop.

Last Friday, I went in Hills' Furniture Store and who should wait on me but Burnett Lockwood? Burnett and Mabel got married in 1950 and Burnett is now co-owner of the store.

Well, so long for now. Bring your family and come to see us.

Peggy Boyd, *Class Prophet*

CLASS POEM

The doors opened wide for us to come in,
Our high school years were to begin.
The years of hard work were on their way,
So to each of you we would like to say:

We've done our best for this dear school,
The biggest task was to obey each rule.
The days spent here were well worthwhile,
And on our faces there will always be a smile.

With sad and weary hearts we've stood each test,
So we could graduate like all the rest.
Although our class has decreased to a few,
We're proud of it just the same as you.

The doors close now with a sad farewell,
To this dear school we love so well.
To the faculty and students, we leave this sigh:
We're proud to bear the name of "SHARON HIGH".

Betty Shepherd, *Class Poet*
